## All Weather Dump Site for Clean Fill

ALL MATERIALS DUMPED MUST BE FREE OF PETROLEUM OR HEAVY METAL CONTAMINATES

**NORMAL PIT HOURS: MONDAY – FRIDAY 7:30AM TO 4:30PM**  
**REQUEST TO AMEND OPERATING HOURS IS IN PROCESS WITH KING COUNTY DDES.**

The dump site is located near the “four corners” (HWY 169 (Maple Valley Hwy) and HWY 516 (Kent Kangeley Road)) in Maple Valley – see directions on our website or call Doris.

The dump site is an all weather site with two below grade dump sites. The site can accept the following materials, and tipping charges are set by truck and trailer (either 7 or 8 axle) – Solo Trucks are half price. Tipping charges are for normal hours and subject to change.

<u>Materials accepted</u>	<u>Current charge</u>	<u>Special Requirements</u>
Dry Clean soil	\$ 75.00	None
Wet Clean Soil	\$110.00	None
Top Soil with strippings	\$110.00	Requires prior arrangements
Concrete (less than 2' dia and no rebar)	\$110.00	Requires prior arrangements
Large Rocks (under 3' dia)	\$ 90.00	Requires prior arrangements
Ground Asphalt	\$110.00	Requires prior arrangements
TBM SPOILS	\$200.00	PH 8.5 or less

Prior to using this site, a customer is required to sign the Company's Standard Operating Agreement and Clean Soils Affidavit. Arrangements for time of delivery, type of material, and quantity must be made in advance.

Please contact Pete Cawfield or Doris Daniel at 425-432-1241 to make these arrangements. Good communication with us saves lots of confusion and misunderstandings.
